The Mounted Officers Training Assoc.

The Mounted Officers Training Association (MOTA) provides the highest standards of quality training and resources for the mounted officer / volunteer. Our staff is dedicated to providing the mounted officer / volunteer with the tools and resources they need to better serve in their communities. We are committed to promoting the mounted officer / volunteer and the services they render. We strive to foster a better relationship between law enforcement agencies and communities thru the use of mounted officers / volunteer across the state of Arizona.

VISION - We will:

- * be a progressive, proactive and innovative organization.
- * Provide the highest quality service through dynamic leadership, education and technology in partnership with the diverse communities we serve
- * Be accountable and efficient through shared decision making
- * Promote safer communities and events with the use of highly trained mounted units
- * Demonstrate leadership in the pursuit of excellence

OR

(928) 354-2227 x 10

Note: The course itinerary requires you to participate in an overnight bivouac May. We will travel in our vehicles with mounts in tow to an area near Mormon Lake for this training. Keep this in mind when making reservation with the lodge so that you do not pay for a night you will not be there.

If you are not interested in staying on lodge property there is a lot of National Forest in the immediate area. However, out of convenience we encourage you to stay near by

DIRECTIONS

I-40 East or West - Get onto I-17 south bound. Take the first off ramp “Sedona 89A / Pulliam Airport” turn left and go over freeway and back onto I-17 Northbound. The first off ramp is Lake Mary Hwy. At the off-ramp stop sign turn right and travel according to the following directions.

From Flagstaff: Take the Lake Mary Hwy (FH3) about 21 miles (towards Payson) to Mormon Lake Village turn-off sign. Turn right and travel about 7 miles to the lodge. You will see the roping arena, campground and RV park on your left and you will not miss the lodge.

From Payson: Take Hwy 87 north and go through Strawberry and Pine to the little village of Clints Well. Just past the store and gas station turn left and take FH3 (Lake Mary Hwy) north towards Flagstaff. Travel about 35-40 minutes and you will pass the Stoneman Lake turn off. About 7 miles past the Stoneman Lake road turn off you will see the south entrance to the Mormon lake Village-watch for the Mormon Lake Village sign on the right side of the road. Turn left and travel two miles to the lodge.

There are large “Mormon Lake Village” forest service signs at both north and south entrances. If you miss either entrance from the Lake Mary Hwy (FH3) you have a nice view of Mormon Lake as you travel along the mesa road that overlooks the lake and the village on the opposite side. You can turn around and travel back to the nearest entrance or continue on the next entrance. Mormon Lake Road (FS90) loops around the lakebed and is accessed from either the north or south end of the lake.
