SARCON 2017 Full Day Scheduled Courses

K9 Track 2017:

- For SAR K9 Handlers, this course is preplanned and spans the entire conference schedule. There is a \$50 fee in addition to the standard registration fees for the conference. See attached addendum for 2017 K9 Track.
- This course is continuous for all three days of the conference

SAMSAR Mounted Course 2017:

- For Mounted SAR Units, this course is preplanned and spans the entire conference schedule. Horse must be fully broke in and trusted. No medical training needed. SAMSAR will instruct how to stabilize and support injured subjects until higher level medical personnel arrive. This training does not in any way constitute medical certification for search and rescue. Limited to 30 students.
- This course is continuous for all three days of the conference

ATV Safety Course:

- Want to be able to search from your own ATV??? Well you can't do so unless you have been through an approved ATV Safety Course, and we've got you covered!!! Pima County SAR will be hosting this ATV Safety Course in, and around, camp. Students must have their own personal protective equipment, and their ATV on hand to complete this course. Helmets are required, no exceptions. Plan on two hours of classroom, followed by a long ride through the surrounding forest. No extra fees are associated with this course, but you must bring your own ATV (BYOA?).
- Minimum class size (registered) is four (4), with a maximum class size of ten (10), for each day
- Course is offered on Friday May 5th from 0800 hours to 1700 hours & Saturday May 6th from 0800 hours to 1700 hours (based on registration)

Arizona Tracker Instructor / Evaluator Course:

- This course is designated for experienced trackers already in SAR to become instructors of Basic Tracking (AZ Tracker III). Candidates for this course of study must have prior approval from their County SAR Coordinator prior to attending. Candidates will be required to attend the full two days of instruction, which includes 8 hours of train the trainer followed by 8 hours of train and evaluate the AZ Tracker III course. Maximum students allowed in this course is capped at twenty (20). There are no added course fees for this block of instruction. Candidates must be in their SAR attire and have their 24 hour pack on hand.
- Course offered once over two days: Friday May 5th & Saturday May 6th 0800 hours to 1700 hours each day

SARCON 2017 Full Day Scheduled Courses

Arizona Tracker III (Basic) Course:

- Do you want to refresh your tracking skills? Or maybe you want to expand your skill set into the area of tracking? Either way, this is a great place to start!! Join Instructor Bill Weaver of Mohave County in this true art form of tracking, and become an Arizona Tracker III upon your successful completion. Start your tracking addiction with this well thought out course, but register fast because class size is limited to thirty (30) students. Be prepared for classroom work followed by field work in the afternoon.
- Course is offered once: Saturday May 6th from 0800 hours to 1700 hours

Index Tracking Basic Course:

- Index Tracking is back!! Join Instructor Freddy Osuna in this next generation of tracking, and expand your knowledge and skills!! This course is the Basic Level in the two part series of Index Tracking. Students should be prepared for classroom style instruction, with outdoor tracking activities. This course qualifies students to achieve their Arizona Tracker III upon successful completion.
- Course is offered once: Friday May 5th from 0800 hours to 1700 hours

Index Tracking Advanced Course:

- Part two of the popular Index Tracking Course offered by Instructor Freddy Osuna!! Advance your tracking skills to the next level in the second day of this style of tracking!! This is an amazing opportunity to have the second part of this series back to back with Index Tracking Basic!! Be prepared for instruction with outdoor tracking activities.
- Course is offered once: Saturday May 6th from 0800 hours to 1700 hours

Basic GPS:

- We all love them, but a GPS unit is only a paperweight if we don't understand them! Join instructors from the Coconino County SAR Unit in this great GPS Course designed to further the technology skills in all of us. You must have map and compass experience, a GPS, search pack, appropriate clothing and footwear for the conditions, and be in reasonable physical fitness for the field exercise which will involve approximately 4 hours of hiking.
- Course offered two days: Friday May 5th and Saturday May 6th from 0800 hours to 1700 hours

SARCON 2017 Full Day Scheduled Courses
